21 The defendant Matthew Henderson was charged by an Information dated August 22, 2019, with  
22 one count of violating 18 U.S.C. § 371, conspiracy. On October 11, 2019, the defendant entered a guilty  
23 plea pursuant to a plea agreement that contemplates continued cooperation with the government. The  
24 defendant in this matter is scheduled to appear before the Court for a Status Hearing on June 29, 2021.

25 The parties jointly request that this Status Hearing be continued approximately 120 days. The  
26 trial in the related matter, United States v. Thomas Henderson, et al., Case No. 19-CR-376 RS, has not  
27 yet been set, and those proceedings continue. That matter is set at a Status Conference on July 21, 2021,  
28 and a trial date may be set at that hearing. The cooperation by the defendant Matthew Henderson

continues, and is expected to continue through the trial in the related matter. At this time the parties are not recommending that the Court set a sentencing date for Matthew Henderson, and for this reason request that the status hearing be continued to October 26, 2021, or a date thereafter convenient for the Court.
